Count of 18. Efforts are made by the

19. What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching

Count of 19. What percentage of

20. The overall quality of teaching-learning process in your institute is very good.

Count of 20. The overall quality of

21). Give three observations / suggestions to improve the overall teaching – learning experience in your Institution

Recommendations of students

- College Should Provide Coursera Subscription .
- Teachers Should provide Question banks
- Should include realistic examples, be a little humorous while explaining concepts, and ample time should be allocated for a particular subject or topic
- Focus on Practical Learning:
Include more activities like internships, projects, and workshops to help students apply what they learn in real life.
- The institute/ teachers should take initiative to inculcate soft skills, life skills and employability skills to make you ready for the world of work.
- Holiday before the exam to score better .
- Use better graphics and visual media to engage students well
Try to reach every student and ask for their doubts.
Make teaching a two way interaction.
- Not to have same subjects two lectures together or on the same day
