MODE OF CONFERENCE - HYBRID

About Mahatma Education Society

Mahatma Education Society (www.mes.ac.in) is a trust that runs around 48 institutions (Pillai Group of Institutions) in the city of Mumbai and Navi Mumbai ranging from schools affiliated to all boards and colleges of higher education, all recognized by authorities like University of Mumbai, Government of Maharashtra and All India Council of Technical Education.

Pillai Institute of Management Studies & Research

The Pillai Institute of Management Studies and Research (www.pimsr.ac.in) is a renowned institution under the umbrella of Mahatma Education Society. It was established in 1998 and is affiliated to the University of Mumbai and recognized by the AICTE. The institute has been accredited with an 'A+' grade by NAAC. The Institute today provides quality education through their Master of Business Administration (MBA) Programme.

PIMSR Research and Development Committee (PRDC)

PIMSR Research and Development Committee strives to facilitate, encourage, and coordinate interdisciplinary research among academics, scholars, students, and industry in order to improve research expertise and academic excellence. As a research facilitator, the committee's goal is to improve research standards by fostering a real-world problem-solving approach through knowledge-sharing platforms.

About the Conference

The global landscape is undergoing a profound transformation, driven by technological advancements, shifting societal values, and unprecedented disruptions. The conference on the theme 'Changing Paradigm of Economy, Society and Corporate Practices in a Disruptive World' seeks to navigate this uncharted territory, exploring the intricate relationships between economic systems, social structures, and business models. As industries are redefined and new opportunities emerge, it is imperative to rethink traditional approaches and harness innovative solutions.

This conference provides a platform for thought leaders, academicians, and industry experts to converge, share insights, exchange knowledge and provide guidelines for the future. By examining the intersections of economy, society, and business, we can unlock new possibilities, drive sustainable growth, and create a more equitable world. Join us in reimagining the future and co-creating a world that is more resilient, adaptable, and prosperous for all.

Objective of the Conference

The objective of this year's conference is to bring together a diverse community of professionals, researchers, academicians and industry practitioners to explore and advance management practices in a disruptive world. Our aim is to bridge disciplines and foster innovation through the following goals:

- Provide a platform for thought leaders, academicians, industry experts, and researchers to share insights and facilitate collaboration.
- Examine the impact of disruption on traditional business models and explore new approaches and innovations.
- Discuss ways to harness innovation and entrepreneurship to address social and environmental challenges.
- Develop recommendations for policymakers, business leaders, and stakeholders to shape the future of economy, society, and business.
